

Call for participation
**2019 Asian Workshop on Theoretical and Applied Mechanics
(AWTAM 2019)**

Hangzhou, China, August 24-27, 2019

Welcome to AWTAM2019

Proposed by BICTAM, Beijing International Center for Theoretical and Applied Mechanics, the 2019 Asian Workshop on Theoretical and Applied Mechanics (AWTAM 2019) will be held from 24 to 27 August 2019 at Hangzhou International Expo Center, the main venue for the 2016 G20 Hangzhou Summit, in Hangzhou, China. The objectives of the workshop are to provide a forum for scientists and engineers from Asian and Pacific countries who are interested in various aspects of theoretical and applied mechanics to exchange ideas and to extend further cooperation among others. The workshop is to forge cooperative links between researchers and engineers by bringing them to one place where they present their achievements and conduct discussions.

The workshop is now calling for participants from Asian and Pacific countries (researchers from other countries are equally welcome) to submit abstracts that are related to various aspects of theoretical and applied mechanics. The topic includes, but not limited to, solid mechanics, fluid mechanics, dynamics and control, biomechanics and mechanobiology, applied mechanics, and engineering analyses etc.

All submissions should be completed by sending email to the secretary (lucf@zju.edu.cn) of the Organizing Committee.

Sponsors

Chinese Society of Theoretical and Applied Mechanics

Beijing International Center for Theoretical and Applied Mechanics

Important date

Deadline of abstract submission, April 30, 2019

Deadline of notification of acceptance, May 15, 2019

Release of visa documents, May 31, 2019
Onsite registration, August 24, 2019

CSTAM 2019, August 25-28, 2019 (Optional)

Registration

The registration fee for the workshop is 600 RMB and should be charged at the registration desk.

All participants are encouraged to attend the Chinese Congress on Theoretical and Applied Mechanics 2019 (CCTAM2019) which is held from 25 to 28 August 2019 also at Hangzhou International Expo Center. Those who intend to participate CCTAM2019 will be charged a registration fee, and thus the registration fee for this workshop is waived. More details will be announced on the CSTAM's website that will be opened soon.

Accommodation

All participants to the workshop are recommended to book hotel near Hangzhou International Expo Center. The CCTAM2019 also offers low price hotels for all participants to the workshop. The hotel reservation should be finished through the CSTAM's website that will be opened soon.
